# TRIPS TO THE XENION BOARDING HOUSE POOL

This summer, as always, we invite all the Xenion Summer Fun Club children to the **XENION BOARDING HOUSE SWIMMING POOL!**

How could we survive without swimming in Cyprus?!

**A day per week, is dedicated to that!**

One swimming session per group with a teacher and a lifeguard, will give children the opportunity to enjoy swimming and have fun in the pool. Xenion Boarding House swimming pool is 1,10m deep. Children who choose not to join the swimming activities, will use other facilities at the Boarding House.

When children go to the Xenion Boarding House swimming pool, (weekly announcements will be given out) they need to come to school with their swimsuit / swimming trunks on, their hat, sun protection cream and their towel. If needed or desired, they could bring their armbands / life jackets or a small swimming board. A lifeguard and the group teachers will be with them supervising. The Boarding House has shaded areas and other facilities which can be used by students who wish to stay out of the pool. Children will return to school to be collected by parents at 14:00.

# GENERAL INFORMATION

## BREAKFAST

Xenion Summer Fun Club offers breakfast at 9:00 every day.

Children are offered a choice of:

- ham, turkey, halloumi or cheese sandwich
- jam or honey sandwiches
- cakes
- boiled eggs
- cornflakes
- fresh milk

## SNACK

Xenion Summer Fun Club offers a fruit / snack at 11:30 every day.

## THINGS TO BRING DAILY

Every day, children should bring their Summer Fun Club bag and a small bottle of cold water or a flask of water. Also, it is recommended that the children wear hats and sunscreen for their own protection from the sun and the heat. We would advise all parents to **mark** their child's personal possessions with their name.

For the benefit of the children, the canteen is open daily during the breaks and water, juices, flavoured milk etc are available for the children to purchase.

**We kindly request that children do not bring mobile phones or any kind of electronic games such as PSP or tablets with them.** Their use prevents them from participating fully in the activities programme and our aim is to encourage them to socialise and engage in fun, learning activities!

# 8 FABULOUS WEEKS

WITH ACTION PACKED, ENRICHED ACTIVITIES  
AND A HOLISTIC APPROACH TO LEARNING!

**WEEK 1** 25 JUNE - 28 JUNE

Scuba Diving & Aqua Yoga

This week we **dive** into fun! The first week is dedicated to diving and aqua yoga. The 'IPA Divers' will show all our summer kids how to scuba dive using the Xenion Boarding House swimming pool. Children will learn about the sport of diving, the equipment needed and will see how it feels to scuba dive!

**Parent Alert !!** They may ask you to take them scuba diving during your holidays!

Moreover, stepping up our yoga practices, this year we are trying yoga in and out of water. Calming techniques, exercise and fun all combined!

\* Please note that on 24/6 (Public Holiday) Xenion Summer Fun Club will be closed. The week's fee is adjusted to €70.

**WEEK 2** 1 JULY - 5 JULY

Beach sports and exercising

**'Healthy body, Healthy mind'**

Exercising should be part of our daily routine, therefore, every day this week will start with some exercising and continue with lots of sports activities.

A wonderful beach outing is also planned! We will visit **Famagusta's Sailing Club Bega Figo** to learn about sailing and try it out with the Bega Figo instructors. The children will also try **Stand Up Padel** by Ms Maria Panayi, Physical Education Teacher and SUP master.

**WEEK 3 8 JULY - 12 JULY**

## Professions Week

For little explorers with big dreams, this year we have introduced professions week!

Every day, we will learn about a new profession ranging from arts to services and farming. Our summer explorers will have the opportunity to meet **fire fighters**, **police officers**, **musicians** and visit a **car garage** as well as a **farming site** to learn about different professions. A week filled with skills!

**WEEK 4 15 JULY - 19 JULY**

## Science fun & The Nutty Scientists

Stepping into the science world, kids will have the opportunity to create their own experiments which will be the highlight of the week! The experiments will be organised by the amazing 'Nutty Scientists'.

**WEEK 5 22 JULY - 26 JULY**

## Let's meet Planet Earth!!

**EARTH BALLOON  
STARLAB**

How ready are you for this unique experience?! A massive **Balloon Earth** will be blown up in Xenion Amphitheatre!

Children will learn about the continents and how earth is really a puzzle of lands. Stepping into the balloon, they will begin a journey of education: How was earth created? How was life formed? What can we do to look after our planet? What is environmental awareness? What does it mean to be ecofriendly?

These are only a few questions which are going to be answered!  
**Do not miss it!**

\*  
Earth Balloon might be replace by StarLab

**WEEK 6 29 JULY - 2 AUGUST**

## Cooking, Baking and Bees!

A week focused on healthy living and tasty cooking and baking! We are going to bake our own healthy energy bars and learn about nutritional foods. The highlight is our visit to the **Hadjigiorki Flourmill and Museum** where we will have the chance to bake our own traditional Cypriot pasta! **Ms Stuliana Hadjiorki** and her amazing team will immerse us into a traditional, unique experience!

**Are you ready to be a bee keeper for a day?** While we are at Hadjiorki Mills, we will also be bee keepers for the day! Join us and try on the beekeepers protection suit to inspect the bee hives. Spot the Bee Queen and the Drones, observe the Bee Workers during their work, see the eggs inside the cells and learn how important organization is for the welfare of these social insects. **Mr Nicholas Papaleontiou** will be there to explain everything to us and give us a taste of his sweet honey "Myrofora".

**What a delicious week!**

**WEEK 7 5 AUGUST - 9 AUGUST**

## Pet Parade and Aquarium visit!

This week is dedicated to learning about various animals and how to care for them.

**Mr Antonis Alkiviades** from **Pet Parade** will introduce different animal species, including some reptiles, and will teach us about how to protect them. **Parents Alert!!** Are you ready to meet Lexi, the Brittany Spaniel dog and hold a tiny (or not) reptile in your hands?

A fun day out at **Protaras Ocean Aquarium** will follow! The experts in the field will present to us some main facts we should know about the animals in the aquarium. The day will continue with a fun stroll on the grounds where we will see a variety of land animals such as crocodiles, turtles, and birds.

**WEEK 8 12 AUGUST - 16 AUGUST**

## Calisthenics, Cinema & Talent Show

The final week of the summer fun club will be filled with activities. **Mr Demetris and Ms Georgia Hadjiconstanti from Calisthenics Workout for All Cy** will be teaching us body coordination tricks. Calisthenics is a form of "gymnastic exercise to achieve fitness and grace of movement".

The word calisthenics comes from the ancient Greek words *kállōs* (κάλλος), which means "beauty," and *sthenos* (σθένος), meaning "strength." It is the art of using one's body weight as resistance to develop muscles.

Children will also watch the film **"Clifford the Big Red Dog"** in Xenion Amphitheatre. (Please let us know if your child should not watch this specific film for any reason.)

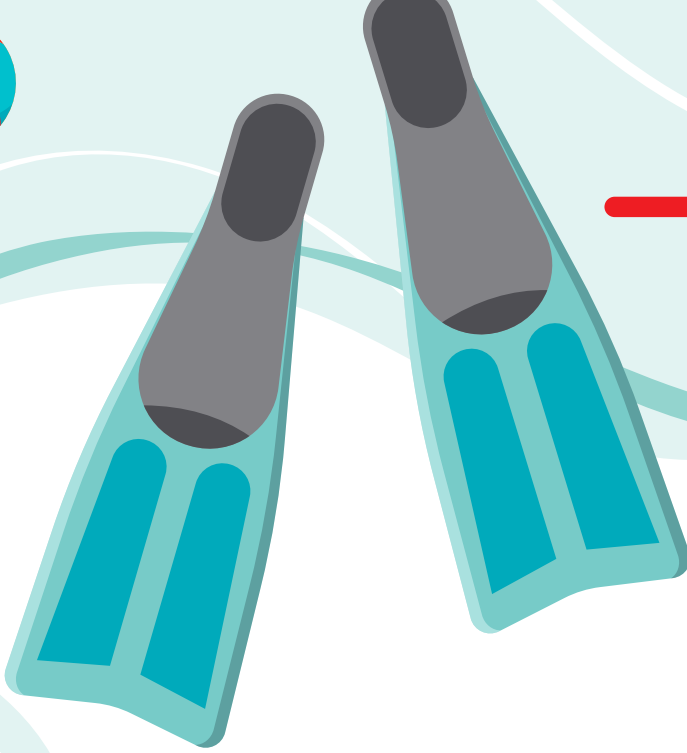

The week will end with a talent show organised by teachers and students. Ice cream will be offered to everyone!

Please note that on 15/8 (Public Holiday) Xenion Summer Fun Club will be closed. The week's fee is adjusted to €70.

**A big THANK YOU to our  
Xenion Education Associates!**

## **ALLERGIES**

If your children have any allergies, take any medicines or have a medical condition that we should know about, please let us know.

## **CARRY BAG**

When registering, children are given a free carry bag.

---

**Our experienced and qualified teachers support, educate and care for each child individually.**

If you have any queries about anything, please do not hesitate to contact us, so we can help you and your children.
